GREAT TEY

NEWS, VIEWS AND EVENTS IN & AROUND GT TEY

## VILLAGE CRICKET

The second match took place on Sunday 8th September. It was a fine warm day as The Players and The Gentleman prepared to do battle. The Gentlemen won the first encounter so The Players under the leadership of Richard Pugh were determined to win the game and draw this year's 2 match series.

The Players won the toss and elected to bat on a pitch beautifully prepared by Simon Mann who should be nominated as groundsman of the year!

Henry Dow and Sam King opened the batting and both looked comfortable against the pace of Will Brown and the unpredictable up and down bowling of Andy Edwards. In fact, Henry was so comfortable that he reached the retirement score of 25 almost as quick as Usain Bolt took to run 100 metres. Sam continued to play well and build a solid score. He was joined by Gareth Pugh who showed he was no monkey with the bat. He attacked the bowling and reached a very fine 25 before retiring. Sam was eventually out for a steady 15. The Gentlemen bowling was a mixture of good and not so good but they kept to their plan of keeping the run rate down. This they did with Nick Hunt taking 2 wickets, Ross Brooks and Chris Hunt a wicket each. The Gentlemen's fielding was good and Luke Henderson's who had never been a wicket-keeper before was very efficient behind the stumps. The Players reached 104 for 8 in their 20 overs.

The Gentlemen lost a couple of quick wickets in their reply, but the brothers Ross and Nick stopped the decline and dug in. The score ticked over slowly but picked up as Nick began to attack the bowling. He reached 25 and retired. Wickets fell quickly but Ross was batting well and with the help of extras the score ticked over. Ross was eventually out for a well played 24. Wickets were shared among Sam King, Richard Pugh, Henry Dow and others. The Players fielding was good resulting to 2 run outs. Gareth Pugh wicket keeping was very efficient. 105 was required to win and the score reached 101 for 7 with 1 over remaining. 101 for 7 became 101 for 9 with 4 runs required. The suspense was unbearable as the 3rd ball of the last over was bowled to Nick Ross who hit it for 4 and thus, winning the game for For The Gentlemen. A good close game enjoyed by spectators and players.

A big thank you to John Carr and John Perfect the umpires, Nick Nevil the scorer, Simon Mann and finally to Chris Lucock and helpers for providing the superb refreshments. And not forgetting Richard Pugh for organising after match match tasty nibbles at the Chequers.

## BAR STAFF WANTED

Debbie at The Chequers  
is looking for someone to help her  
in the kitchen  
to cook part time  
and she also needs  
reliable weekend bar staff.

If you are interested in either of these  
please drop by the pub during opening  
hours and see Debbie.

What a wonderful start we have had to our new school year. Our 12 new Reception children have settled in very well, and are enjoying their learning both indoors in the classroom and outdoors in the recent sunshine. They have joined Ducklings Class, which is now separate from the Sparrows Class in the mornings, meaning that we have now grown from a 2 class school to a 4 class school. The children in Sparrows Class (Y1 and Y2) are working hard learning about Dinosaurs this term – they have begun by going on a hunt for dinosaur bones!

Robins (Y3 and Y4) and Woodpeckers (Y5 and Y6) Classes this term are learning about the Romans. They have begun by drawing up a list of questions they would like to find the answers to – and are planning to make Roman mosaics, Roman houses and Roman shoes! You may have seen our Y6 children riding around Great Tey on their bikes recently – congratulations to all who took part for achieving their Level 2 Bikeability Certificate.

This term sees us take part in a number of charity events – we are taking part in the World's Biggest Coffee Morning for MacMillan Cancer Care on Friday 27th September – the children will be serving cakes, teas and coffees from 2.30pm in the school hall and we would really love to see you there – please do come along and help us raise funds for this fantastic cause. We will also be dressing up for Children in Need Day later in the term.

We have two Community Worship services coming up soon which I hope you will be able to join – our Harvest Community Worship will be held in Church on Friday 4th October at 11.00am and our Remembrance Community Worship will be held on Friday 8th November, again in Church, this time starting at 10.45am. Please do join us if you can.

Finally, if anyone is able to help us cut down some of our overgrown trees and prepare the site for the Community Swimming Pool project, we would be very grateful for any help. Thank you.

Best wishes,

*Lucy Overton* – Headteacher

## **THE GREAT TEY FRIENDSHIP/ BOWLS CLUB**

The venue chosen for the club's outing this year was a trip to Cambridge. Luckily the weather was kind, and an enjoyable time was had!

Looks like there will be nothing else now until our annual Christmas lunch. Our new carpet continues to fox most of us! although some members seem to be getting the hang of it; it's surprising how much the mats can vary, from slow to very fast. We'll just have to keep on practising!

Our meetings for October are on Wed. 9th and 23rd, with lunch at the Chequers on the 16th. For more info on the club do contact Jim on 01206 210838, we're always pleased to hear from potential new members.

## Bleeding and Treatment

### Types of bleeding

#### Arterial

Arterial blood is under direct pressure from the heart pumping and spurts in time with the heartbeat.

Blood loss is rapid and can be life threatening in just 2 minutes.

#### Venous

Veins are not under direct pressure from the heart, but they still carry large volumes of blood.

A wound to a major vein may ooze profusely.

#### Capillary

Bleeding from capillaries occurs in all wounds.

Although the flow may appear fast at first, blood loss overall is usually slight and easily controlled.

Bleeding from a capillary could be described as a trickle of blood.

#### Treatment

The aims of treatment of external bleeding are firstly to stop the bleed.

Prevent shock to the patient and prevent infection.

#### Sit or lay

Sit or lay the casualty down, appropriate to the location of the wound and extent of bleeding.

#### Examine

Quickly note the type of bleed (arterial, venous or capillary). Identify exact point of bleed so pressure can be applied at the right location

Look for any foreign bodies.

#### Pressure

Apply direct pressure to the wound continuously for 10 mins. If there is a foreign body you may be able to apply pressure at either side

#### Dress

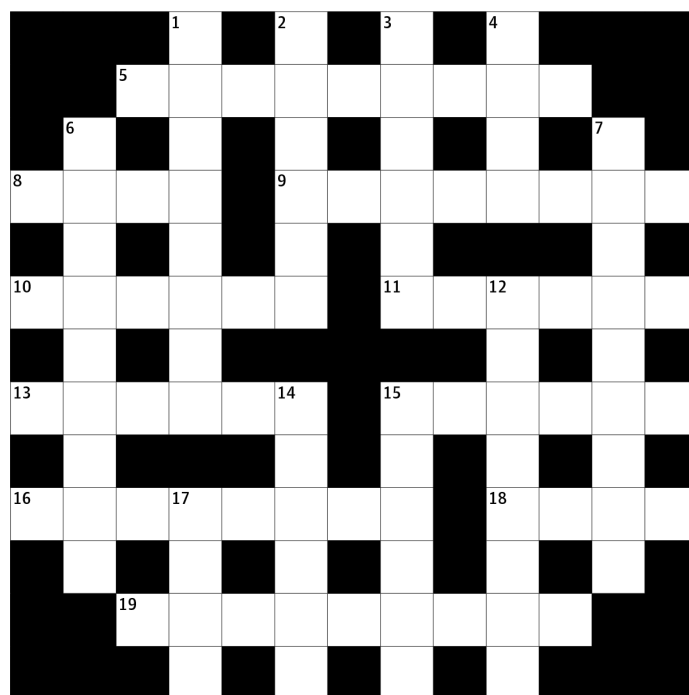

Cover the wound with a sterile dressing.

**Seek medical advice if you are unsure of the treatment carried out or can't stop bleeding.**

## GREAT TEY DROP IN

We were fortunate with the weather, but we were still low on numbers last month so perhaps people decided to go elsewhere to enjoy the sun.

No problem we will be there come rain or shine on the Thursday 10th October from 2-4pm so if you feel like a chat and a cuppa you are very welcome to join us in the Village Hall. Everyone is welcome.

Norma Tregoning

## WATCH THIS SPACE!

It's been a while since we've published any news on the pool progress; we have been working hard with a professional architect on preparing drawings and accompanying documents in preparation for submitting our planning application; this is now imminent and we hope to know the outcome by the end of December. Hopefully we will start the New Year with some positive news – fingers crossed!

We hope to publish the drawings for everyone to see in a future edition of Round & About. Subject to successfully obtaining planning permission, we will be looking for more volunteers to come forward from the local community to join our group of 7 trustees; either as general committee members, fund raising committee members, or just to help out with fundraising activities in the new year. This will become a massive community project in terms of raising funds, and hands-on involvement, and we will need a lot of help once we have the planning permission in place, so please, if you are able to support us in some way, please let us know that we can count on you.

In addition, we are organising a working party to help the school tidy up the derelict pool site, and assist with some cutting back of overgrown bushes, hedges etc. and it would be very much in the spirit of the project to welcome members of the community to help with this if you would like to roll your sleeves up and help out - the work is being planned for the beginning of autumn half term, over the weekend of 26th & 27th October; again, please email to let us know if you would like to get involved, or call our Chair - Alec Brooks - on 07715 698551.

Finally, we are looking for a temporary committee Secretary to cover for a few months due to unforeseen circumstances of our current Secretary; If you would like to offer your services once a month to attend committee meetings, prepare an agenda; and record/distribute meeting minutes for a few months, we would be pleased to hear from you.

We now have a dedicated e-mail address, so if you are interested in joining us for any of the above reasons, please drop an email to Helen Dow at [Greatteycommunitypool@gmail.com](mailto:Greatteycommunitypool@gmail.com) - we would be very pleased to hear from you.

We welcomed back all our children this month, and they have all settled back into pre-school routines very quickly. It was lovely to hear about all of the fun the children have had over the Summer, and look at the photos that parents have shared through our 'Tapestry' online journals.

We have also welcomed lots of new families to the pre-school this term, and we are enjoying getting to know the new children and watching them make lots of new friends.

Our sessions run Monday to Friday, during term time, from 9am until 2.45pm. We have sessions available for 2 – 4 year olds each day. If you would like to discuss a place for your child, or just come and have a look around please contact us on 07712 967081 or alternatively email us at [greatteypreschool@hotmail.com](mailto:greatteypreschool@hotmail.com).

We offer flexible sessions. This means that you don't have to sign your child up to attend pre-school on a weekly basis, but are just able to use us for one-off sessions, as and when needed (subject to availability). If you would like any more information on this new service please contact us using the details above.

The Great Tey baby & toddler group runs on Wednesday mornings (term time only) from 10am – 11.45am. If you have any children from birth to rising 5's please feel free to come and join our friendly group, letting your child socialise and interact with their peers. Tea and coffee provided for parents & carers, and a snack provided for all children.

£1.50 per adult.

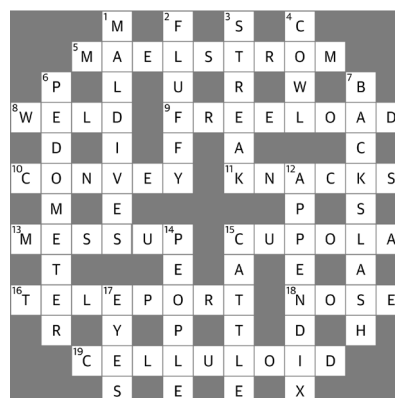

## GREAT TEY WI

Last month we had a speaker who is called 'The Bag Lady' and you could see why because she had the most incredible collection of bags which she had made from various pieces of material and other things. There was a very unusual bag made from men's ties, as well as a skirt made from ties. When you have imagination there is no limit to what you can do!

This month is a very different speaker because he will be telling us about life in a busy airport. Perhaps we will understand more about the reason for delays, and make us a bit more tolerant whilst we are waiting for our flights in the future. As usual we meet in the Village Hall on Tuesday 1st October (1st Tuesday in the month) for a 7.30pm start. Look forward to seeing you.

*Great Tey WI Committee*

## GREAT TEY SKETCHBOOK CALENDAR

Over the last couple of years around and about in Great Tey, you may have spotted myself and Karen, perched on tiny stools with sketchbooks balanced on our knees, and wondered what we were sketching. Now you can find out as we have produced a calendar of some of our Great Tey scenes.

We started sketching outside (also referred to as 'en Plein air') after reading an article in the Connection magazine in spring 2015. Two ladies, Sarah and Sue, had started a group called Essex and Suffolk sketchers and invited anyone, experienced or not, to join them. We both enjoyed painting and drawing so thought we'd give it a try. Our first outing was to Henny fete and we were immediately hooked.

Unfortunately the group folded in April 2018, but we do sometimes join with a group called Urban Sketchers London, who meet once a month in locations all around the city. We wanted to continue sketching locally so have tried to find subjects nearer to home and especially in the village.

We try to complete our sketches while we are sitting at our chosen location, weather and time permitting, as we want to capture a sense of the place we are sketching, but sometimes we do have to make the finishing touches at home.

We enjoy being outside, it's very sociable as passers by often stop to chat and if we're really lucky a neighbour may bring us out a cup of tea.

Our calendar is now on sale at The Chequers or at Chappel Post office for £8.50. All profits will be donated to The Compassionate Friends a charity that supports bereaved parents and their families.

# CAUSE

Infrastructure first

## NO TO WEST TEY, MONKS WOOD, KINGS DENE...

By October, Cause volunteers will have delivered 25,000 leaflets around North Essex. A big thank you to all the people involved in this exercise.

The leaflet outlined the effect that these developments would have on you and your communities if they succeed. There is a consultation taking place prior to the Inspector's second review taking place early in 2020.

If you have not received a leaflet, please go to our website and read the facts concerning the planned development of the Garden Communities. Search :- CAUSE ESSEX before 30 September : [www.cause4livingessex.com/get-involved](http://www.cause4livingessex.com/get-involved)

Or send an email stating your name, address and a Statement of Concern: "I believe the garden community proposals are the wrong future for north Essex because....." to, [cause@cause4livingessex.com](mailto:cause@cause4livingessex.com).

In a nutshell here are some of the the arguments:-

Major problems with North Essex Garden Community proposals:

- Not needed and not the only way of doing things
- Not Popular and Not Affordable
- Too costly to the tax-payer, too risky & not financially viable. Promises that cannot be paid for.
- Not enough jobs, extra 99,000 people: no new hospital
- No improvements to train services, but over 7.5k commuters and no new station.
- No proven routes for the too much countryside and farmland lost. Low density sprawl eats up 5,631 acres

Finally, beware the planned engagement programme by NEGC Ltd later this year. This tax-payer funded organisation has only one remit: to deliver the three new towns. It will have spent £7.6m of tax-payers' money by the end of 2019 and is asking our councils for £16-20million more. Please visit CAUSE's website before you respond.

Contact Andrew Coy at [wac@simplybanqueting.com](mailto:wac@simplybanqueting.com) if you would like to spread the message and assist CAUSE.
